History, Numbers, and ... - There was a time when imported beer was a novelty in America. That changed in the 1980s, with Heineken leading the way among brands positioning themselves as an upscale alternative to a domestic ... Sun, 30 Dec 2018 22:07:00 GMT The 20 Most Popular Imported Beers In America | VinePair - Brewing in North America began with the arrival of European settlers, who considered beer a staple of life, nearly as important as bread and water. Although hops were occasionally imported from Europe, the early pioneers carefully evaluated their potential homestead sites and the surrounding countryside not only in terms of the suitability for growing grain and raising cattle, but also for the ... Mon, 29 Sep 2014 16:18:00 GMT American hops, history, | Craft Beer & Brewing - By the early 1930's, American Can had developed a can strong enough to withstand the pressures of packaged beer. They had also finally solved the problem of lining the can by using a moldable plastic called Vinylite. Initial tests with Pabst beer were positive, but the big brewers wouldn't commit until the can had been tested in a real market. Sat, 12 Jan 2019 11:36:00 GMT A Brief History of the Beer Can - thespruceeats.com - "Pumpkin ale never attained great popularity,"

beer historian Gregg Smith states in Beer in America: the early years, 1587-1840 (Brewers Publications, 1998). "As opposed to modern pumpkin beer, in which the pumpkin only adds flavor, for colonials the pumpkin was a source of fermentable sugar. Pumpkin ale of the colonial era, as a result, was said to have a noticeable "tang" unless ... Sat, 12 Jan 2019 07:11:00 GMT Early American Beer | Inside Adams: Science, Technology ... - Indeed, the first permanent structure they built was a brewery. And Americans have been brewing ever since. Both New York and Philadelphia were early brewing centers in America: New York City alone had 42 breweries in 1810. Almost all early American beers were based on the English-style ales the colonists were familiar with. That began to change, though, in the mid-1800s as wave after wave of new immigrants came from Northern and Central Europe, bringing with them a taste for a new style of ... Sat, 29 Dec 2018 18:47:00 GMT History of Beer | Heartland Brewery - In Mesopotamia (ancient Iraq), early evidence of beer is a 3,900-year-old Sumerian poem honoring Ninkasi, the patron goddess of brewing, which contains the oldest surviving beer recipe, describing the production of beer from barley via bread.
